

# Live tooling for CNC Lathes

Porte-outils tournants pour les tours CN / Portautensili motorizzati per tornio CN

# Tradition in precision

Since 1956 **Madaula** has stood for the highest quality and the best reliability of its products. We have more than 60 years of experience in design, development and manufacture all kind of heads for the machine tool industry.

Depuis 1956, **Madaula** est synonyme de la plus haute qualité et de la meilleur fiabilité pour ses produits. Nous avons plus de 60 ans d'expérience dans la conception, le développement et la fabrication de tous types de têtes pour l'industrie de la machine-outil.

Dal 1956 **Madaula** è sinonimo di massima qualità e di grande affidabilità. Abbiamo più di 60 anni di esperienza nella progettazione, sviluppo e produzione di tutti i tipi di teste per il settore delle macchine utensili.

## Innovation and reliability

We're focused on our ability to create products adapted to our customer's needs, reduce their manufacturing cost, thereby improving their competitive edge in the market.

We work to ensure optimally designed, precise, robust and durable products.

We love challenges. Our goal is to turn your vision into reality and thereby increase your productivity.

Nous nous sommes consacrés sur notre capacité à créer des produits adaptés aux besoins des clients, à réduire leurs coûts de fabrication et ainsi améliorer leur avantage compétitif sur le marché. Nous travaillons pour créer des produits de conception optimale, durables, robustes et précis. Nous aimons les défis. Notre objectif est d'augmenter votre productivité.

Siamo concentrati sulla nostra capacità di creare prodotti adatti alle esigenze dei nostri clienti, ridurre i loro costi di produzione, migliorando in tal modo il loro vantaggio competitivo nel mercato. Lavoriamo costantemente per progettare in modo ottimale i nostri prodotti per renderli precisi, robusti e durevoli.

Noi amiamo le sfide. Il nostro obiettivo è quello di trasformare la vostra richiesta in realtà e di conseguenza aumentare la vostra produttività.

## All over the world

Our head office and factory are located in Barcelona, recognized city throughout the world by the creativity and constant innovation of its industries.

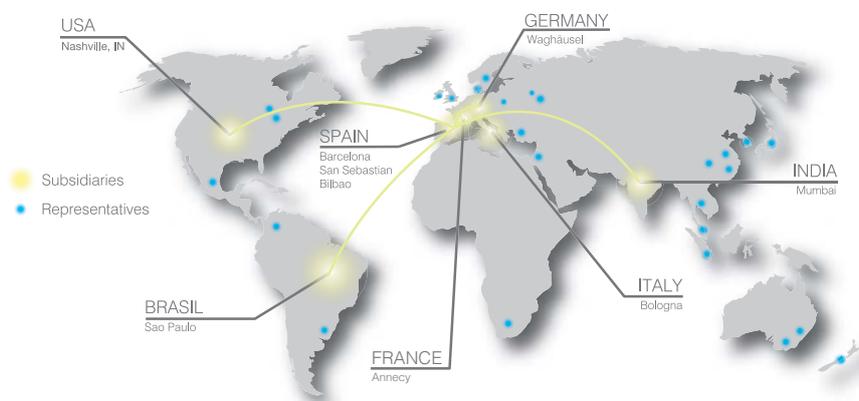

We sell all over the world with subsidiaries in Germany, USA, Italy, France, Brazil and India, with representatives all over the world. We export the 80% of our production.

Notre siège social et l'usine sont situés à Barcelone, ville reconnue mondialement par sa la créativité et constante innovation.

Nous vendons partout dans le globe avec des filiales en Allemagne, USA, Italie, France, Brésil et l'Inde, et avec des représentations dans le monde entier. Nous exportons le 80% de notre production.

La nostra sede principale e lo stabilimento si trova a Barcellona, città riconosciuta in tutto il mondo per la creatività e l'innovazione costante delle sue industrie.

Vendiamo in tutto il mondo con filiali in Germania, Stati Uniti, Italia, Francia, Brasile e India con i rap-presentanti di tutto il mondo. Espor-tiamo l'80% della nostra produzione.

## Manufacturing facilities

We welcome you to our facilities. Madaula has a continuous improvement policy, we invest to improve our technical production, assembly and quality departments.

Soyez les bienvenus dans nos nou-velles installations. Madaula investit constamment afin d'accroître sa capacité de production. Nous avons développé nos départements usina-ge et montage mais aussi qualité.

Abbiamo il piacere di informarvi a riguardo i nostri nuovi servizi. Madaula investe per migliorare la propria capacità di produzione di utensili. Ampliamo i nostri reparti di assemblaggio e di qualità.

# Passion for precision

- Precise and rigid manufacture
- Adaptable to all types of machines
- 100% Checked and tested
- High speed rotation
- Longer tool life

Modular design. All types of turret connections and drive couplings available.

Concept modulaire. Nous fabriquons tous les types de connection et entrainement aux différentes tourelles.

Disegno modulare. Tutti i tipi di connessioni torretta e trascinamento disponibili.

Improved sealing design combining a labyrinth and optimized friction seals to get hermetically sealed spindles.

Amélioration de la conception de l'étanchéité en combinant un labyrinthe et joints à friction optimisée pour obtenir une parfaite étanchéité.

Disegno migliorato che combina labirinti e guarnizioni di tenuta, ottimizzati per ottenere mandrini ermetici.

Adjustable coolant nozzle.

Buse orientable pour l'arrosage.

Ugello refrigerante regolabile.

Multiple output options.

Multiples options de sortie.

Diverse opzioni di uscita.

Primary labyrinth seal.

Joint à labyrinthe primaire.

Tenuta primaria a labirinto.

High precision P4 quality preloaded bearings.

Roulements de haute précision P4 préchargés.

Cuscinetti di alta precisione qualità P4 precaricati.

Hardened aluminium bodies for light heads. Steel bodies for heavy heads. Bodies machined from a solid block.

Corps en aluminium durcis pour les têtes légères. Corps en acier pour les têtes lourdes. Corps usinés du massif.

Corpi in alluminio temprato per teste piccole. Corpi in acciaio per teste pesanti. Corpi lavorati dal pieno.

Fixed type or easy alignment system. Reduced set up time.

Système fixe ou de réglage facile. Temps de mise à point réduit.

Sistema fisso oppure di facile regolazione. Tempo di installazione ridotto.

Available with coolant through the spindle up to 80 bar.

Disponibile avec passage du liquide de refroidissement à travers de la broche jusqu'à 80 bar.

Disponibili con refrigerante interno mandrino fino 80 bar.

High grade synthetic grease for long life lubrication.

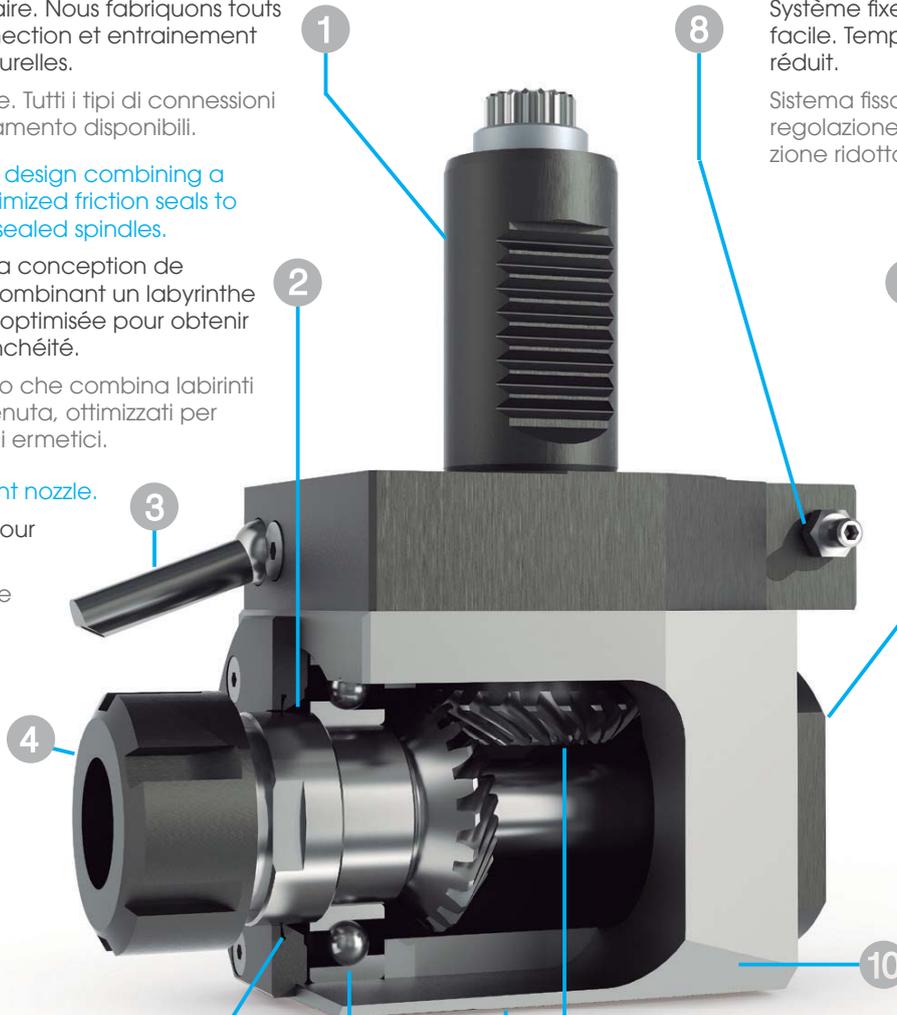

Lubrification à la graisse à longue durée de vie.

Grasso sintetico per la lubrificazione a lunga durata.

Hand matched or ground spiral bevel gears with new tooth geometry and surface treatments to minimize backlash. Smooth and quiet running with 30-50% higher torque.

Engrenages spiro-coniques rectifiés ou rodés pour un jeu de denture optimal, avec de nouvelles géométries de dents et des traitements de surfaces les plus performants. Fonctionnement souple et silencieux avec un accroissement de 30 à 50 % du couple transmissible.

Abbinato realizzato ingranaggi conici con spirale modificata che permette di ridurre al minimo il gioco di trasmissione. Questi ingranaggi sono realizzati con materiali e trattamenti specifici per aumentarne la durata. La qualità del dente e il materiale utilizzato ci permette di trasmettere una Coppia dal 30-50% maggiore.

## BMT Series

### 5 BMT

**BMT-45:** Lynx 2100 MA, Lynx 220 LSVA / LMDS, Lynx 220 LSVA / LSYC, Lynx 220 M / LM, PUMA 230/240/280 (M,LM,S), Lynx 220 MA / LMA / MC / LMC, Lynx 220 YA / YC / LYA / LYC, PUMA MX 1600 T / ST, Hardinge

# Quality procedures

## Progressive increasing to full speed

temperature, speed, noise, leakage and vibration control.

Accélération progressive jusqu'à la vitesse maximale, contrôle de température, vitesse, bruit, fuites et vibrations.

Progressivo aumento a tuta velocità: Controllo di temperatura, velocità, rumorosità, perdite e vibrazioni.

## 100% Tested: main dimensional control

with Coordinate Measuring Machine for all products.

Contrôle des principales dimensions avec machine à mesurer CNC.

Controllo dimensione su tutti i prodotti con macchina per misure a coordinate.

## Quality certificate

on delivery.

Livraison du certificat de qualité.

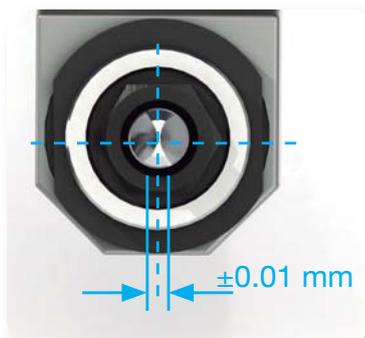

Certificato di qualità sulla consegna.

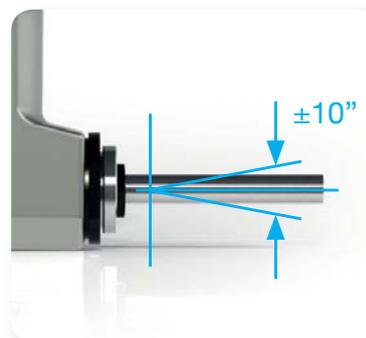

Certificate ISO 9001: 2015 since 1999  
 Certificat ISO 9001: 2015 depuis le 1999  
 Zertifikat ISO 9001: 2015 seit 1999

# Precision

Maximum misalignment

Angle tolerance

Max. runout inside the spindle

0,005 mm

# Global services

Specialized technical assistance team with extensive experience at your disposal.

Une équipe spécialisée en assistance technique et avec une vaste expérience est mis à votre disposition.

Servizio de assistenza tecnica con team specializzato con una vasta esperienza a vostra disposizione.

# Repair service

We are proud of offering to our customers a repair service for all their products, no matter how old they are.

All products of our fabrication range can be repaired, even if they have not been originally manufactured by Madaula.

Nous assurons pour nos clients un service réparation pour tous nos produits de notre marque ou de nos concurrents et de toutes générations.

Tous les produits de notre gamme de production peuvent être réparés, même s'ils n'ont pas de notre fabrication.

Siamo orgogliosi di offrire ai nostri clienti un servizio di riparazione per tutti i prodotti, anche per i più datati. Tutti i prodotti della nostra gamma possono essere riparati, anche se non di nostra produzione.

# Special products

Design and production according to the customer specifications.

More than 8000 specials designed and manufactured as per our customer's requirements.

Conception et fabrication selon les spécifications des clients. Plus de 8000 types spéciaux fabriqués.

Progettazione e produzione secondo le specifiche del cliente. Più di 8000 offerte speciali progettate su misura.
